

Rule Out Conditions

Anxiety Institute Psychiatric Services treat most mental health conditions excepting those that require more specialized care. As such, individuals struggling with the following disorders are better served by other professionals.

Disruptive Behavior Disorders

- Conduct Disorder

Substance Use and Addictive Disorders (Rule-out if primary reason for seeking treatment)

- Alcohol and/or Drug Use, Dependence and Abuse

Eating Disorders (Rule-out if primary reason for seeking treatment)

- Anorexia Nervosa
- Bulimia Nervosa
- Binge Eating Disorder

Thought Disorders

- Schizophrenia
- Schizoaffective Disorder

Severe Cognitive Disabilities or Learning Impairments
